

Lot, C711 North Bali, North Bali

## Magnificent beachfront resort

### Best features:

1. Unique beachfront location - true beachfront and colorful coral reef alongside a shoreline. True Bali / Traditional Bali experience - that's what our guests want to see. An escape from hustle and bustle. Location close to waterfalls (10 min drive to YehMampeh, 40 min drive to Sekumpul, 60 min to Jembong, Aling2)
2. Competitive advantage - no competitors around for the restaurant - no other restaurants around so we serve not only our guests but also guests of villas located nearby.
3. As we are actively working with fitness and yoga groups we have a complimentary yoga hall with equipment (actually already have 2 halls - recently have built the 2nd one ) and rooms with twin beds (I was looking for the same kind of facilities in central Ubud and failed to find one)
4. If we believe that the North Bali airport project comes into reality and would be located in Kubutambahan - 15 min drive from the resort - that would mean a significant increase in land prices in our location.
